RACE	HORSE	COMMENT
1	1 Manny Rankin 5 Dali Cat 6 A Bit A Billie	Has been right up in the action every week, should be tough with the rail today. Back from a 3rd in Flamboro will see what she can offer up today. Has dealt with this outside post many times and been successful.
2	3 On Golden Ponder 4 Irvine James 1 Campassion	Just got nipped last week, will be looking to bounce back today. Will for sure be a big threat in this 5 horse field. Really loving her chances coming off the rail.
3	7 Ionia 4 Constantino 6 Savethelstdancforme	If she stays flat beware of her crazy speed that she can use. Facing much easier here which should really help. Has to deal with the 6 hole today but should not be an issue.
4	1 Gabbiemillionaire 6 Write About Laura 7 Aim For The Sky	Has been right up there every week, now gets that soft field he needed. Coming off a big race at Sarnia, not too worried about her post. She is going to need to step up her game today.
5	7 Gd Cruise For Gold 3 Watt Machs Me Win 1 Sgt Neilgreenberet	Major drop in class for him is just going to need a good trip in here. Should be really competitive in this class. Has won this class before and gets the rail today.
6	6 Oldfriendskentucky 5 Debs New Man 1 Regal Beagle	Even with this post he still stands out the best in here. Coming off a big win, will see what happens with the rise in class. Expecting much more from him today.
7	2 Squirt 3 Zinfandart 5 Evas Best Girl	She just walked away last week, expecting the same today. You've always got to include this girl, always in the mix. Should be a big factor after that 3rd at Grand River.
8	2 Snoggle 7 Keaton 1 E L Spartacus	Massive win last time, should be able to do it once again. Solid 2nd last week, should be a threat in here. Coming off a win, but does rise in class today.
9	2 Rye N Clyne 1 Write The Check 5 Cayo Loco	Blew the doors right off everybody last week. This horse can be competitive at many different levels. Raced good last week, now facing much easier in here.
10	4 Beer And A Haircut 5 Blissfull Years 7 Big Diva	One of the only ones coming off a solid race in his latest. Gets major class relief in here, should be heard from in here. One to think about in here.

My top choice of the day is #2 Snoggle in Race 8. He comes off a big win in his last start getting that done very easily, Today he faces similar competition in this race today leaving from a good post, which is why I am all over this guy.

My long shot choice of the day is #7 Shark Outta Water in Race 1.
